EXPERIENCE

10/2019 –
Present

Ferrara Candy Company | \$2B global confections company; manufacturers of NERDS, SweeTARTS, Brach's, Laffy Taffy and more | Chicago, IL

Senior Manager, Integrated Content Marketing (7/2024 – Present)

- Promoted to manage the content marketing of the entire Ferrara portfolio of 10+ brands and team of associates responsible for social media content creation and community management across 30+ profiles and 8M+ followers
- Drives collaboration between agency partners and internal cross-functional teams to execute integrated campaigns from briefing through execution and post-campaign reporting, effectively managing key stakeholders throughout
- Leads cross-channel advertising creative development and production, using creative testing and analytics to inform strategy across online video, paid social, audio, influencer, etc.
- Owns \$1M+ social budget and annual scoping for external agencies and internal needs
- Supervises ongoing education for internal teams by collaborating with partners like Meta, TikTok, Google, etc. to stay up-to-date on content best practices, strategy, and trends

Manager, Integrated Content Marketing (4/2021 – 6/2024)

- Executed Shorty Award-winning influencer program, SweeTARTS Film Fest on TikTok, resulting in 607M+ impressions across paid, owned, and earned and 5.6pt lift in ad recall
- Supported Ferrara's first-ever Super Bowl advertising campaign for NERDS, developing and implementing integrated marketing content and launch strategy on digital and social channels
- Pioneered Ferrara's influencer strategy, shifting to an always-on approach and building long-term partnerships, leveraging efficiencies to save cost and streamline processes

Associate, Digital Marketing (10/2019 – 4/2021)

- Launched Ferrara's top-selling product NERDS Gummy Clusters into market via a robust social media and influencer strategy, fueling 67% year-over-year growth resulting in the product becoming the #1 in candy the U.S. by 2023
- Developed influencer fan program that resulted in 330M+ organic social impressions (estimated value of \$3M) in addition to managing full influencer campaign logistics
- Built Ferrara's planned and reactive agile content marketing approach, tapping into emerging trends and data to embed brands into culture, growing consumer loyalty

3/2018 –
9/2019

Ketchum | Award-winning global communications agency | Chicago, IL
